

Dear Sir/Madam:

K-LOVE 91.1 is a station I have on my car radio dial all the time. I got a letter from K-LOVE saying they could be forced off the air if the proposed rule changes are enacted and LPFM is given a priority over FM translator service. There are very few alternative stations that are worth listening. K-LOVE is a positive and encouraging station. It is family friendly and I don't have to worry about my children listening to any unwholesome influences. K-LOVE touches peoples lives for the better and helps the community as a whole. Please consider not forcing K-LOVE off the air. God bless you.

Thank you in advance,
Mary Rose McCourt
